Customer Reviews

I thought the book was alright. It lacked enough spells to really catch the mind but for the price I paid, I think it was worth it. I wish it had more death spells though.

Very good for anger management

Very short book for the price. Thought I would get something a little more comprehensive for 20.00.

Excellent book

It was what I was looking for in a book

I tried one of these spells and it worked I was so happy I'm going to do this more often

These are all spells you can find for free online. I'm wondering if this "author" had rights to publish free spells and take a commission.

It is good some good information for studying will keep trying to find more books like this to help my in my studies
