I am a member of Gladys' fan club and this book made me very happy to be able to purchase. Gladys Bagg Taber wrote from her heart and her stories will inspire you and make you a happier person! Start out with the Stillmeadow (CT.) books and then move on to the Still Cove (Cape Cod) books..she will make your heart sing! is there to help you.

My wife loves this Book. It is her way of relaxing and winding down every night. Very well written.

My first Gladys Taber read....and probably not my last. I read that this was a good one to start with if you are interested in this author. It was lovely!

Gladys Tabor was my mother's favorite author, so I have tried to get as many of her books for my library, and to pass on to my children. She is human, and warm, and you just want to curl up with her books.

I found myself entwined in a place of pure joy. Gladys writes with words that delight and words to treasure.

Gladys Taber, my wife's all time favorite author.

I was at an antique store in the country and a lady told me about this author. Heartwarming book! It made me laugh and cry! It's a classic!

A gem. Discovered by a blog recommendation. A wonderful old collection of writings, like a cozy blanket.
