Happy Little Accidents: The Wit & Wisdom Of Bob Ross

Synopsis

A tribute to Bob Ross-the soft-spoken artist known for painting happy clouds, mountains, and trees-Happy Little Accidents culls his most wise and witty words into one delightful package. Ross has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes-all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary, but with Bob it is always about more than painting. There is a hidden depth within his easy chatter, another layer to everything he says. When he talks about painting, he's using it as a metaphor for life! Happy Little Accidents: The Wit and Wisdom of Bob Ross opens with an introduction and brief biography of Ross, followed by a collection of Ross's greatest quotes and most majestic works of art. Relax. Unwind. Be inspired.

Customer Reviews

Michelle Witte is a lifelong admirer of Bob Ross who wishes she could paint half so well but settles for working with the written word. She is the author of humor books including The Craptastic Guide to Pseudo-Swearing and The Faker's Guide to the Classics.

Book is great for big fans!

Purchased as a gift. They loved it. Includes photos of his paintings. Only four stars due to overall size. Thought it might be bigger

A very quick read. It's more a picture book and then on the other page it has a quote from him and his shows. From smack the devil out of the paintbrush to happy little trees, all your favorite sayings are in this book. There are some very breathtaking paintings of his as well, and some of them play directly off of the quote that is provided. I would highly suggest this book to any Bob Ross fan, as it would make a great coffee table book, or even to use it as a quote a day and just leave the book open to that day's page and quote. The book is a little bit small about 6x4 inches, but still I'd say it's worth it.
