Bhakti Mathur, private banker by day, mother to Shiv and Veer (seven and five years old) and an avid delver in Indian mythology at all other times is the creator of the "Amma Tell Me" books → a series of picture books about Indian festivals and mythology for children in the three to nine year age group. She wrote and self-published her first book, "Amma Tell Me About Holi!" in 2011 and over the next 3 years, the series has grown

with books on the festival of Diwali, the Hindu epic Ramayana and stories about the Hindu gods, Krishna, Ganesha and Hanuman. "The real motivation for writing the 'Amma Tell Me' series was to share with my sons the fascinating stories from Indian mythology that I had grown up with," says Bhakti. "But, I found that there were no resources that were simple to understand and that captured the rich imagery of mythological India that is such an integral part of these stories for me. So I went ahead and started writing the stories in a style that I think kids find fun and non-preachy and collaborated on the illustrations to bring out the imagery that I want my stories to convey." Bhakti grew up in Delhi. She studied at Modern School Vasant Vihar. She obtained her graduate degree in Economics and her post graduate degree in Finance from Delhi University. She is a CFA charter holder. She currently works for a major Swiss Bank and lives in Hong Kong with her husband, their two sons and their two dogs. Bhakti is a committed writer ambassador for Room to Read, a global non-profit which offers holistic literacy and girls' education programs. An avid reader, a long-distance runner and a yoga enthusiast, when not working or running after her boys, she is happiest curled up with a book in her hand and a hot cup of chai.

I didn't even bother reading the book because the images were so awful. They look like crappy computer produced images and they are all incredibly dark. I grew up on beautiful, bright detailed picture books of Ramayana and Mahabharata and was looking to get my nephews some awesome, modern books. Don't even bother purchasing these books. They are not worth the money at all.

This series has very negative language. The author could've chosen different and age appropriate words to communicate the story and the message.

Another of the beautiful books by Bhakti. I love gifting her books. They are so simple yet gripping. The beautiful bright illustrations and the story to match keep the kids engaged. Its a wonderful way to learn about Indian Mythology and the festivals. Its a tough one to bring it all together into such short stories that are simple for kids to follow and are still accurate. "Krishna" who is known to be the naughty child will keep your children interested and wanting to read more....

I love this series. My fondest childhood memories are of my grandmother telling me stories about Krishna - and now I am delighted I can share the story of Krishna with my own children. Mathur tells the story beautifully - in a way that all of us in the family can enjoy it. We read this - and the other

books in the series - over and over again. It's a hit each time!

Another delightful book by the author whose words are simple and easy to comprehend - just right for the age group she caters to. The illustrations, as in all the Amma Tell Me books, are eye catching and descriptive. Great way to teach the kids riveting stories from Indian mythology!

My nephews absolutely LOVE the Amma series by Bhakti Mathur, so when the story of Krishna's birth was launched, it was a no brainer what to buy them! Filled with vivid description, colourful illustrations and action so captivating for young boys, Amma Tell Me About Krishna was a total hit!
