Customer Reviews

PreS-Gr 2-Six stories about Fancy Nancy, a precocious, preternaturally sophisticated six-year-old, are featured in this compilation: Fancy Nancy; Fancy Nancy and the Posh Puppy; Fancy Nancy: Bonjour Butterfly; Fancy Nancy and the Late, Late, LATE Night; Fancy Nancy and the Delectable Cupcakes; and Fancy Nancy and the Mermaid Ballet. In each story, Nancy comes up against a world that insists on suppressing her affinity for fanciness. For example, she succeeds in fancying up her family for a night on the town, only to be tripped up by her own extravagance; she's forced to miss her best friend's butterfly birthday party when she has to attend her grandparents' 50th wedding anniversary get-together; she longs to be cast as a glamorous mermaid in the ballet, but instead is given a role as a dull willow tree. Each story is performed with adorable enthusiasm by 10-year-old Chloe Hennessee, and enhanced minimally by occasional sound effects, such as a dog

barking or glass breaking. Me sure to have the book available so listeners can peruse Robin Preiss Glasser's personality-rife illustrations to fill in the space between the lines and bring Nancy's flamboyance fully to life.-Jennifer Verbrugge, Dakota County Library, Eagan, MN (c) Copyright 2013. My kids really enjoy listening to this. I didn't realize that it didn't come with the books when I ordered it.

My girls favorite thing to listen to going to bed. ages 6 and 3

My daughter is fancy Nancy obsessed, and this audio book is listened to on a regular basis to and from school. The narrator is excellent and adorable! 7 stories, just a few minutes each: the entire cd is 20-30 mins long. Great buy!

My daughter loves listening to this at bedtime

Granddaughter loves to listen in the car.

My 4.5 year old LOVES this series and has added many new words to her vocabulary. A great down time activity!

Great for listening to the story. Just wish it had some with the books so we could read along with it.

Very cute book with some life lessons involved! I'm sure my 3 year old really grasped it.
