Day Hikes In Grand Teton National Park: 89 Great Hikes

Synopsis

Grand Teton National Park may be one of the most beautiful and awe-inspiring parks of the Rocky Mountains. The craggy Teton peaks reach as high as 13,770 feet, forming a bony ridge through Wyoming along the Continental Divide. Fronting the Teton Range lies the twisting and curving Snake River, winding its way down the Jackson Hole Valley. The reflections of the Tetons gently ripple across the river's serene water. Now in its 5th edition, *Day Hikes In Grand Teton National Park* includes a thorough selection of 89 day hikes throughout this national park and around the town of Jackson. The hikes include easy-to-follow directions and are well organized by region, making the valley and mountain range easily accessible for everyone. The book offers many options for hiking--from exploring a short distance from the trailhead to climbing thousands of feet in elevation through canyons that lead up to fantastic vantage points. Highlights include lakeshore paths, cascading creeks, rock-walled canyons, panoramic overlooks, waterfalls, hot springs, fishermen trails, prime wildlife habitats, North America's largest landslide, and two hikes atop the Jackson Hole Ski Resort. The hikes range from well-known destinations (like Jenny Lake and Jackson Lake) to quiet, backcountry trails. The author has written extensively on Montana and Wyoming hiking trails and has personally hiked all of these trails. Companion guides include *Day Hikes In Yellowstone National Park* and *Day Hikes In the Beartooth Mountains*.

Book Information

Series: Day Hikes

Paperback: 272 pages

Grand Teton National Park may be one of the most beautiful and awe-inspiring parks of the Rocky

Mountains. The craggy Teton peaks reach as high as 13,770 feet, forming a bony ridge through Wyoming along the Continental Divide. Fronting the Teton Range lies the twisting and curving Snake River, winding its way down the Jackson Hole Valley. The reflections of the Tetons gently ripple across the river's serene water. Now in its 5th edition, *Day Hikes In Grand Teton National Park* includes a thorough selection of 89 day hikes throughout this national park and around the town of Jackson. The hikes include easy-to-follow directions and are well organized by region, making the valley and mountain range accessible to everyone. This guide offers many options for hiking, from exploring a short distance from the trailhead to climbing thousands of feet in elevation to fantastic vantage points. Clear directions, ample maps.

Since 1991, Robert Stone has been writer, photographer, and publisher of Day Hike Books. He is a Los Angeles Times Best Selling Author and an award-winning journalist of the Rocky Mountain Outdoor Writers and Photographers, the Outdoor Writers Association of California, the Northwest Outdoor Writers Association, the Bay Area Travel Writers, and the Outdoor Writers Association of America. Robert resides summers in the Rocky Mountains of Montana and winters on the California Central Coast.

Do some additional research... we went on a hike in this book and the trail disappeared and the bridge was washed out... wish the book mentioned the well established trail becomes less so in the middle of bear country.

This was the main book I used to plan our hikes in the Tetons last summer. Was very pleased with it.

Great book about hiking in the Tetons

best description of the trail!
