Practice Makes Perfect Spanish Verb Tenses, Premium 3rd Edition (Practice Makes Perfect Series)

Synopsis

The bestselling workbook on Spanish Verbs updated with comprehensive digital support to help you master Spanish verb knowledge and usage. *Practice Makes Perfect Spanish Verb Tenses* explains with a rare level of clarity when and why a particular verb tense should be used--not just the correct forms. This book will also give you plenty of practice in using your new language skills, with more than 200 exercises in author Dorothy Richmond's uniquely entertaining style. The Premium Third Edition provides supporting material in the McGraw-Hill Education Language Lab app: Flashcards for all the verb and vocabulary lists in the book for study on-the-go; Audio Recordings of the answers for all exercises; Record-and-Replay function to compare your answers against native-speaker pronunciation (if your mobile device has this capability); Progress Tracker to keep track of your progress through the app. Note: audio recordings (totaling approximately 180 minutes) require Internet access.

Dorothy Richmond is an experienced teacher of Spanish and the bestselling author of five titles in the *Practice Makes Perfect* series.

I love the book. Getting back to learning Spanish is made easier. Full of practice. I don't like the True/False exercises as they don't challenge me to conjugate the verbs, which is of utmost importance in learning Spanish along with a good vocabulary.

Very complete presentation of all the Spanish verb tenses with many interesting exercises to aid learning the usage. Also lots of vocabulary to add to your supply, and a good dictionary both ways in the back.

A thorough coverage of Spanish Verb Tenses with, and this is important to me, an also thorough audio accompaniment.

Excellent book for basic practice. I gave only 4 stars because the glossary often doesn't contain words that are used in the text....really, a minor objection since there are excellent sources on the web; and because rarely the translations are wrong...but in those cases it is obviously a misprint. Again very minor objections. Because of this book I am buying many of the of other PMP series. On the more important positive side, it has a lot of exercises with answers in the back and is very thorough. By the way I bought this used and it was in great condition.

This helped me a lot in my Spanish 2 class this semester.

Excellent book!

Excellent book for learning the ins and outs of verbs. One can also get an app to help with it when you want to study but don't have the book with you. This was recommended by my spanish instructor and I'm so happy she did.

An excellent resource. Extremely helpful in teaching Spanish to multiple levels.
