Customer Reviews

MAP with guide, circa 1980, beautiful map from the Rhine Valley. The map folds out to quite a length showing the length of the Rhine River. It has pictures of cities and buildings along the river. In English, French and German.

It is a really fun map. We plan to use it for a trip we want to take down the Rhine. In fact it is more useful than an atlas as it helps us see the various interesting things along the way.
