The Shariyat-Ki-Sugmad, Books One&Two

Synopsis

The Shariyat-Ki-Sugmad means Way of the Eternal. These writings are the scriptures of Eckankar, Religion of the Light and Sound of God. Though they're possibly the oldest teachings known on earth, they speak to you directly--today. They come alive in your heart. Through The Shariyat-Ki-Sugmad you will discover an answer to every human question ever yet, or to be, devised. Its pages tell what life really consists of and how to live it. Eckankar is ancient wisdom for today. Its teachings, which resurfaced in 1965, emphasize the value of personal experiences as the most natural way back to God. Whatever your religious background, they show how to look and listen within yourself--to expand your consciousness and enjoy spiritual connectedness. See for yourself--perhaps for the first time--how to lead a happy, balanced, and productive life. And put daily concerns into loving perspective.

Customer Reviews

I LOVE the search feature with this digital version. I open via Kindle and search quickly on terms like

"service," "love," "gratitude," et cetera. And if I were Soul-traveling, where might I hear the sound of "buzzing" like bees, or "birds" twittering, or "bells" of any depth from the slow-deep reverberation made by a monk swinging a 6"caliper log into a 5-foot-tall hanging metal bell to the softest tinkling bell sound of sand thrown against a windshield. Thanks!

The most spiritual book in all the Universes... As you grow as a spiritual being the book will show you different understandings of all you can be aware of... What you understand from this book... No one can dismiss the revelations this book hold.. It is determined by your state of consciousness.

Priceless insights and wisdom gleaned from the wisest sources available to humanity. A real gift to all spiritual seekers. These books, "The way of the SUGMAD", give direct knowledge, both esoteric and practical, about our true nature and the way to make our lives happier and richer. Every chapter contains wisdom beyond this word.

Absolutely essential information for the Spiritual Explorer. Defines everything we need to know to explore all of the planes of existence and meet with God. Explains how to contemplate (meditate) and soul travel to meet with ECK Masters. This provides all of the support needed to stop the Wheel of 84 and move on to become a Co-worker with God.

I have been studying this remarkable book for over 40 years. Now I can dip in whenever I like. What can I say to potential buyers? This material calls to the deepest part of my being. It challenges, comforts and ennobles. It opens the heart to divine love.

The Shariyat-Ki-Sugmad is the bible for ECKANKAR, the religion of light and sound. It is one of those books that you can read bit by bit and contemplate on the words and go deeper into the spiritual meaning for yourself. I first read this book about 18 years ago and was blown away by the information it gives and the clear messages from Sugmad (God) and several ECK Masters. I downloaded a copy into my tablet so I can carry it where ever I go! Thank you, ECKANKAR, for allowing everyone who wants a copy to have it.

I was thrilled to be able to purchase the Kindle version of this book. I am excited at being able to create clippings for my favorite passages for quick reference. Also, I can now take the Shariyat with me whenever I travel. This has been a wonderful gift. As for the contents of this two volume set: It

will fill you with hope and love and joy and awe! Enjoy!

Good enough for me. HUUU... Eckankar
