The Dog Lover's Companion To Seattle: The Inside Scoop On Where To Take Your Dog (Dog Lover's Companion Guides)

Synopsis

The Dog Lover's Companion to Seattle has the inside scoop on the best dog runs, parks, beaches, hiking trails, camping areas, pet-friendly businesses, and much more. Local author Val Mallinson and her two miniature dachshunds, Cooper and Isis, have dug up many surprising resources available to dogs in Seattle, from hound-hospitable lodging in scenic maritime towns to wine bars where you and your dog can hang out while you drink merlot! Packed with helpful maps, up-to-date leash laws, and a useful "paw" ranking system for all locations in the book, The Dog Lover's Companion to Seattle is a pet's best friend.

I have a small Yorkie and when I ordered this book I was planning on moving to Seattle. I know this is a city of class so I wanted to learn things i could do with my puppy. The book was very informative and in good shape when it arrived! Thank you

Full of good places to go with your dog(s)!We went to Lynndale park because book recommended it and loved it!Well worth cost.

If you are going to more than Seattle, get the Pacific Northwest edition instead - the Seattle edition is in it almost word for word.Helped me plan my trip - great resource...

This was a gift for Xmas. It looks good however.

Good, but sort of states the obvious when it comes to dog parks and place to walk your dog. It's not the book's fault, but Washington is not exactly super off leash friendly. I don't know how it possibly got such a "dog friendly" name.
