Synopsis

THE COWBOY WAY is a set of five wonderful stories for young boys of all ages—from 9 to 99! If you're looking for some great western reads for yourself or a young reader you know, this is the collection for you—and at only .99, you can't beat the value! Renowned western author Frank Roderus leads the collection off with his coming-of-age story, DUSTER, about a 15-year-old boy who joins a cattle drive in post Civil War days. Jim Griffin, known for his Texas Ranger tales, adds to the anthology with book one of his Lone Star Ranger series, A RANGER TO RIDE WITH. Cheryl Pierson's complete Texas Legacy Trilogy rounds out this fantastic set of western tales. RED EAGLE'S WAR, RED EAGLE'S REVENGE, and TEXAS FOREVER tell the story of 10-year-old Will Green, saved from the Apache by Jacobi Kane—a man with a secret of his own. This anthology is full of action-packed stories that you will remember long after you read the last page! Come on and saddle up—you'll ride the range with some mighty fine cowboys!

Customer Reviews

If you like westerns and want some good down and true to life "old west" reading for any age, this book has got it. I'm an adult female and wanted to read more from all three of these authors. And I picked the perfect book. Frank Roderus gave me a wealth of western facts and information that was either new to me or explained things I hadn't ever truly understood. So very helpful, more than interesting and of course a entertaining story as well. James Griffin's painted a western scene that had me hooked from beginning to end with all the horse handling facts. And I found myself right there riding with those rough and tough Rangers and the brotherhood, let me tell ya. Cheryl Pierson's three stories take us on an fast paced adventure full of suspense, yet is full of emotion and more than heartwarming. A young boy not only must stand strong against adversity, but learns the true meaning of trust, loyalty, bonding and love. He finds so much more than he had ever hoped for. I just may have to reread all these again.

Something for every Western reader in these books. Some real heroes and some real bad guys. Got some romance, some growing up and some good horses. What's not to like?

The first two books were very good but the last two had to much bad course words for younger age youngsters.

I liked everything in this book. Being Numero uno in a series, it is a great foundation for future western stories
