Customer Reviews

Mizuki Mizushiro is the author behind the Psycome light novels.

Not as good as the previous three books. In this book we get a little more background on Eiri and House Akabane. Not much really happens though. There are a couple of confrontations between Eiri and her siblings and even a test towards the end of the book. But things tend to end rather peacefully between everyone. Although the relationship between Eiri and Kyousuke looks like it will cause just a little chaos with the other girls also interested in him.Spoiler Alert:At the end of the book another phone call between Reiko Hikawa and Kurumiya takes place. We learn that Renko also has a sibling; a brother named Renji! He wears a gas mask too, but his is white in color. If Reiko and Renji are to visit to the school to talk to Renko, then things could get very interesting. It would be

interesting to see what the consequences from Renko disobeying orders to kill Ayaka in front of her brother Kyousuke will be.
