Rhodes (Greece) Walk & Eat Series (Walk And Eat)

Synopsis

This pocket guide - the only walking guide for Rhodes - is designed to add another dimension to a walking holiday on that island. It caters for those who just want to stroll, those who may prefer a longer walk - or even those who are just looking for recommendations on where to eat! Whether you fly out for a week or a fortnight, with this book you'll have in your hand enough walks, excursions, tavernas or restaurants and recipes to last throughout - so you can choose the most appealing. The book describes 12 walks and two excursions and recommends restaurants en route (with sample menus). Following each restaurant entry is one or more of their recipes, to be made in self-catering accommodation or at home. Other sections include: planning your trip, logistics on arrival, shopping for self-catering (including health food shops), local markets and specialities, glossary of local food terms, etc. Topographical walking maps (1:35,000) accompany the clear walk instructions. Sunflower's online update service with route-change information, users' recommendations and any changes to restaurant information and recommendations makes sure the book is up to date.
