Dark Deception (Defenders Of Justice Book #2)

Synopsis

Kate O'Brien's quiet life in small-town Shelter Cove, Arkansas is shaken when her past suddenly comes roaring back to life. Four years ago, she and her twin sister were attacked by an elusive serial killer. Only Kate survived, and she's been in witness protection ever since. When new evidence arises to suggest the convicted man wasn't the murderer, she's subpoenaed to testify in the new trial. Afraid to go back into that world, Kate only agrees if Tony DeLuca, the deputy Marshal who protected her during the original trial, escorts her to St. Louis. Tony readily takes on the assignment; Kate's beauty and inner strength made more of an impression on him than he expected. But when Kate's safety is threatened, Tony must race against the clock to keep her alive and put this ugly case to rest before anyone else gets killed.

Customer Reviews

this is an excellent book, I could hardly put it down. One of her best, if not the best she has written.

Wow! I don't know how Nancy Mehl kept up with the complex plot in this book!!! There were twists and turns and questions from start to finish. of course, the reader gets into what is happening and just has to try to figure it out and see if he or she is right in the end!! Well, I figured some things out, but other events were a real surprise. Very modern, up-to-date suspense story with FBI, DOJ, and even a hacking incident of the FBI! I enjoyed Books 1 and 2 and now look forward to Book 3 coming out in April of 2018.

I really enjoyed Fatal Frost (Defenders of Justice Book #1), but Dark Deception was even more enjoyable. Both were on the edge of your seat exciting from beginning to end and full of such logical twists and turns it was hard to tell who the villain or villains were. Running parallel to this plot Ms. Mehl shows God gently proving His faithfulness again and again to Kate, making the story so much more real for me. Totally exciting.

I read this book in about 5 hours time on a hot, humid day. Couldn't put it down because it was so good couldn't wait to see what happens next. Many twists and turns occur in this tale of a lady who had to go into witness protection. With the help of the US Marshalls Kate deals with a serial killer who had killed her twin sister and left Kate to die. Action packed makes this a good read!

Edge of your seat book. Starts out exciting and stays that way throughout. I love how the writer stressed how you have to face your issues and give them over to the Lord. He can do a mighty work in you when you let him.

My first book by this author that I remember. Well written suspense and mystery book. I enjoyed this book and the interesting characters. Hard to put down.

I enjoyed the twists and turns in this book. New suspects kept jumping in to throw me off track. Leon spending time with Fred and bringing him to choosing to give his life to Christ.

Another great mystery with suspense throughout and strong characters and strong storyline with many twists and turns. With intrigue and much more.
