Far More Terrible For Women: Personal Accounts Of Women In Slavery (Real Voices, Real History)

Synopsis

Far More Terrible for Women contains first-hand accounts of what life was like for women in slavery. These accounts are drawn from interviews conducted in the 1930s and stored in the Library of Congress.

Customer Reviews

Patrick Minges worked for 17 years for Amnesty International and Human Rights Watch. He currently teaches social studies to gifted high-school students at Davidson Early College in Lexington, N.C. He lives in Salisbury, N.C.

I think it is vastly important that book such as this are available. This is a history that should never be forgotten or repeated. I found the book quite interesting and informative and felt I learned a great deal that I did not previously know about this era. It gives an inside look at what slavery was like, as told my women who endured it and lived to see freedom.

hardest book I've ever read. I was actually glad the elderly ladies could not remember more, what they did remember is the meanest, most hateful, depressive material I've ever read. I wish more people would take the time to read this valuable history and learn.

Incredible that the majority of these former slaves displayed no malice toward those responsible (the country, and its' people) for their years of bondage. It bespeaks of a generosity of spirit that few would be able to show under lesser circumstances. Worth reading.

I don't know how they survived the horrors and hate but thank the Lord, these women did. Their stories should never be dismissed.

I recommend any and all of the Slave narratives! What a treasure these are. I have read almost all of them and I'm glad I purchased these books for Kindle. I treasure the voices from history.

ALL WOMEN THAT ARE DARKER THAN BLUE. VERY VERY NICE BOOK FOR ONES BRAIN PLEASE READ, CANNOT GO WRONG WITH THE INFO HERE, THANKYOU, ARON NEBEYOU

I really was captured by accounts of women slaves prior and during the Civil War - it breaks my heart and reminds me how far we've come - with still far to go -

Collected narratives by WPA writers during Great Depression. Saves first hand accounts and real, unvarnished facts about slavery. Sad period, but many kind people and real cruel owners. With unlimited power, some turn sadistic. Not a period to rejoice in by today's standards, but all should be judged by the standards and challenges of their time. One must ask, would I have. Been better, kinder Or wiser??
