Customer Reviews

Roger Kamien received his B.A. in Musicology from Columbia and his M.A. and PhD. from Princeton. Kamien taught for 2 years at Hunter College and for 20 years at Queens College, where he coordinated the music appreciation courses. In 1983, he was appointed to the Zubin Mehta Chair in Musicology at The Hebrew University of Jerusalem. In addition to *Music: An Appreciation*, Prof. Kamien has written numerous articles and reviews, co-wrote *A New Approach to Keyboard Harmony*, and edited the Norton Scores. He is an accomplished pianist and, in recent years, has formed a two-piano team with his wife, Anita.

I am using it in Music Appreciation class now. It is quite helpful.

Absolutely awful.

I do not see the need for this! It was required for my class but I feel like I could have found most of these songs a lot cheaper. This is so expensive and there is no need!
