Great Poets Of The Romantic Age (Poetry)

Synopsis

Poetry by definition, achieves its effects by rhythm, sound patterns and imagery. One of the most popular areas of audiobooks -- spoken poetic form -- evokes emotions and sensations by bringing the voice of the poet to life in an appropriately intimate way, directly to the ear and mind of the listener. This anthology contains the works of some of the greatest poets of the Romantic Age, including Blake, Wordsworth, Shelley, Coleridge, Keats, Byron and Clare.

Michael Sheen reads beautifully. I LOVE the poets from the Romantic Age. Blake is a favorite. THRILLED with this cd, I am listening to it as I type and am sure will be listening to OFTEN.

If it's classic poem you want then this is great addition to your library..

I'm really enjoying this. The poetry selection is great, all by the big names in early 19th century English poetry. Michael Sheen (who played Tony Blair in "The Queen") proves to be a great reader. I don't know if he personally selected the poems, but he really seems to connect with them.

I Continue to enjoy this CD. Michael Sheen's reading is first rate for this wonderful collection. It's my first real introduction to Romantic era English poetry. Would highly recommend it !

great readers who are from Europe and know the pentameter to accent the rich poems of this great romantic age of love, life, God and meaning of life. Put it in your car when driving and feel the joy

Great Poets the Romantic Age (Poetry) is a fine collection of poets for the classroom that is learning about poetry and may need an added help with reading for understanding.

Great poetry everyone should read and know about

This DVD is a wonderful purchase. Michael Sheen does a great job reading the poems and the music is also inspirational.
