Customer Reviews

French composer Claude Debussy (1862-1918) was one of the most prominent figures working within the field of impressionist music, although he disliked the term when applied to his compositions. A central figure in European music of the turn of the 20th century, he was made Chevalier of the Legion of Honor in 1903.

how can you go wrong with debussy. good edits and works out well. spent lots of time playing and enjoying. thanks claud
