Customer Reviews

Working with the very best authors, photographers and stylists, RPS and CICO Books produce outstandingly beautiful books on homes & gardens, food & drink, children's activities, weddings, pregnancy & babies, craft, health and mind, body and soul, and elegant stationery and gifts. We aim to capture, in words and pictures, those elements of life that give the greatest pleasure: sharing the perfect meal with friends, baking a batch of cookies with your children on a lazy Saturday and a home that makes you happy every time you open the front door.

It's a little too prompted with not quite enough space for flexibility (and sometimes older folks write bigger). But it's really very well organized and lovely. Higher quality than I expected, frankly.

Each of the books I got are very different and unique in there own way. Love them all.

Spent a lot of time comparing different journals and this very thorough. A good buy.

Simply beautiful. It provides a great guide with prompting questions that help a grandparent paint a picture of a particular moment or memory.

Amazing book, it has visual appeal and captions for ideas to get great story.
