Julietta Suzuki's debut manga Hoshi ni Naru Hi (The Day One Becomes a Star) appeared in the 2004 Hana to Yume Plus. Her other books include Akuma to Dolce (The Devil and Sweets), Karakuri Odette, and Kamisama Kiss (Kamisama Hajimemashita), which is published by VIZ Media. Born in December in Fukuoka Prefecture, she enjoys having movies play in the background while she works on her manga.

I have only just read the first book and I'm hooked. The story is cute and funny! I already like the characters and I cannot wait to read more.

I stumbled across the anime while on Hulu a few months ago and watched the entire first season in a day, now the second season has started and I'm constantly checking for updates. I hadn't been sure if the anime was being picked up for anymore episodes so I started getting the manga to find out what happened with my beloved nanami and tomoe and mizuki! I do not regret it! The manga is awesome! Different than the anime but not by much. Makes me love tomoe even more!

After coming across the Kamisama Kiss anime I decided I must have the manga as well. Im so glad I ordered it. Although this was only the first volume, it was an enjoyable read and it arrived in perfect condition. I look forward to the next one!
