I wanted some information about Arizona to relocate there very soon. I'm wanting heat and Sunshine for my health and depression. This book had so many wonderful description of the areas, weather ,shopping , medical. It was a good resource to start with. From there I can get information on other subjections from the book.I'm very glad I bought it.

Dummies books are the best

I love this book and have learned many things, although it is more for a traveler than I. I haven't left home yet. :) Good book. Don't like the Dummies title. Thanks, Elizabeth A Stratton

I live in and explore Arizona in my spare time. The author did a nice job on the recommendations and attractions, very well rounded guide. You won't be disappointed.
