This book looked great. If it wasn't for the child's name written on the front cover, I would have thought it was brand new. I bought this book to keep at home so my daughter wouldn't have to take hers from school. Great price !!!!!

This book covers the basics for a third grade Social Studies textbook. The chapters are appropriate length and text is well written.

As a homeschool teacher, the textbook worked fine in teaching my daughter. We had tried other

Social Study teaching tools, but she seemed to like this one.

book has everything i need plus I like history and I like run on sentences and I don't like reviews.
