The ultimate guide in learning and mastering crochet. This eBook will provide you everything you need to know about crochet with a detailed explanation. A step-by-step guides are included in this eBook which made it easier for beginners to follow. I find this eBook very educational and easy to understand. What I like about this eBook are the pictures that are included for proper guidance. I would highly recommend this to everyone who loves to crochet and for everyone who wants to learn and discover a new hobby!!!

This is a great instructional resource for anyone who wants to take their crochet skills to the next level. The step by step guides are easy to follow, and the book is set out in a well-structured way to help you reference the sections more relevant to your skill set and learning needs. Some of the patterns are challenging, but this book is not aimed towards amateurs, and its designed to make sure you have mastered crochet to the next level. It is designed to make sure you have mastered crochet to the next level. It is designed to make sure you have mastered crochet to the next level.

This book indeed is for experts. There are some patterns here that an newbie cannot do easily. I am not yet an expert but reading this book has given me the motivation that I can also do these patterns. This book has made me understand more about Filet patterns, this is something that will help me create designs that are both intricate and delicate. Plus of course adding accessories too. Overall, this book will be staying in my crochet library for a long time.

If you are ready to learn crochet for experts, this is the book for you. If you don't know how to read a crochet chart, the author starts you out explaining that skill. For the advanced in crochet, this is a great refresher. Once you understand how to read a chart, you can follow the straightforward instructions for broomstick lace and adding beads to your crochet patterns for extra bling! If you are confident and adventurous, learn how to design your own patterns for a one-of-a-kind creation that will be the envy of your friends. I recommend this book to anyone wanting to expand their crochet skills!

If you are hooked on crochet, you must add this book to your library. I crocheted a lot when I was in my teens, and then I sort of stopped and moved on to other things. Had I owned this book then, I probably never would have stopped. This book provides instruction and inspiration for so many interesting motifs you will return to it again and again. This book inspires me! The possibilities are endless. Loved this book.

Seeing my sister do crochet makes me envious. I had a hard time understanding crochet patterns while she make it seem easy. But this book totally made me see crocheting in a new light! Dorothy was able to provide a great step-by-step guide on how easy it is to read them. I would definitely try the techniques from this book and share it with my sister too!

Impressive! If you're looking for a very well detailed guidebook for crocheting, buy this book. In this book you will see a very easy to follow and understand guidelines on how to learn crocheting as a beginner. Really worth worth recommending!

Crocheting is one of my great hobby that is why when I saw this book, I never hesitate to grab it. This helps me a lot to start a new. Recommended.
