Customer Reviews

I love Avocados especially in salads. But do not like peeling them at all. No salad for me if I have to peel avacodos unless my SweetHeart or one of the 2 daughters peel them. So I bought 3 of them,

one for each house so I can enjoy my salad in either house I am. The price is great and they were sent and received in a reasonable time period. The price on .com was very reasonable

Great little book. Can't wait to make avocado ice cream and some of the other desserts. I also ordered the books on spinach and beets.

Good read

I noticed that none of Ms. Julie's books have any pictures. That's the only reason she list a star.

Good recipes beyond the usual guacamole. I will be using this as soon as avocado season arrives with lots of fruit.

Avocados are so so popular and these recipes were delicious. It seems we eat avocados with every meal. These were simple and easy to follow. Would recommend to all Avocado Lovers!

Have only 'flipped' through it so far, but it looks great!

Vdry tasty and so simple.
