Customer Reviews

Really liked the positive message of Â Â Twelve Dresses, One Star (A Silly Picture Book About Being Who You Are) (Silly Picture Books) Â Â and my wife thought this would be similar when she picked it up last week. It's 12 pages of story and formatted nicely for the kindle. The story's good enough that I picked it up and added to my reader too. However, the flow is awkward. Sort of like the author ran out of ideas toward the end.

This story was good, but I think we would have enjoyed it more had it been a physical print copy book instead of an ebook. At bedtime my children tend to like to pick out their stories and hold the

books as I finish them, they aren't as interested in the Kindle. (We have a touch, if that makes a difference when you are looking for ebooks).

The rhymes and story are very smooth and appropriate. Surprising someone would object to the inclusion of a verse mentioning God in a very generic way.

Thank you for another good read for my girls. The especially love getting to read their bedtime story when they can help me read it!

This book is illustrated well. My daughter has me pull it up on my phone everytime we sit still. I will download more by Cindy!

My three year old loved it. The pictures are really cute and engaging. I recommend for little kids. Great read.

I love reading this book to my son at bedtime. After a couple times listening, now he reads it by himself before bed.
