Correct information automatically supplied by - I am from Calvert County, MD not Capitol Heights, MD. This calendar couldn't be more perfect for anyone who would want a wall calendar that is functional, yet beautifully enjoyable. I needed a wall calendar that I could write all the important dates on for our families' birthdays, anniversaries, etc. The squares are large enough to fit as much as you have to write AND the paper quality is superb. I have purchased calendars in previous years that the ink would smear when you wrote on it or would bleed & make a mess. The pictures are absolutely beautiful and since I'm a quilter, I love to have the patterns included to each of the beautiful pictures. The price was right through .com also. I will be looking for this brand again at the end of the year.

My MOther will be so very pleased with this 2012 calendar! She is a quilter and as the months roll

by she will enjoy a new art work for a month as she checks out the patterns for each quilt. That Patchwork Place Quilt Calendar 2012

Concise instructions and easy to read diagrams provide monthly inspiration. Lovely quilt patterns to make for gifts or keep for yourself :)

My sister really enjoyed receiving this and is looking forward to making a quilt from one of the patterns. She collects quilt calendars for the patterns.

My beautiful 2011 That Patchwork Place Quilt Calendar is on my wall and now it is time look ahead to 2012. I was so pleased with last year's that I wanted the new one. Again this year it is a large 12"X12", folding out to 12"X 24" with enough room for notes each day. It has a strong hanging grommet. The top half of the hanging calendar contains a quilt picture and the bottom half is the month decorated to match. It is more than just a calendar though, because there is an accompanying soft-cover booklet with instructions, diagrams and templates for all of the quilts. I have tried some of the other calendars, but this one by That Patchwork Place is definitely my favorite. The quilts included are varied in style and method. Some of the quilts are pieced and some appliqué. There are also quilts for all skill levels. My favorites were Bittersweet Briar, a combination of appliqué with a piece border, and For the Birds, another mixed method quilt. Another great product from That Patchwork Place. Thank you to Martingale & Company home of That Patchwork Place for the review copy, received only with the understanding of an honest review.

Every year, this is a great calendar to own. Each month a beautiful quilt to look at with the date boxes large enough to write in. The patterns for all twelve quilts are included, for the beginner to the advanced quilter. Always a bargain!
