Piano Trio In A Minor, Op. 50

Synopsis

Charming and fitting homage to pianist Nikolai Rubinstein, with a piano part appropriate to Rubinstein's genius, and also blended well with violin and cello accompaniment. Distinctively Russian in character, with overtones of regional folk music and dance, it alternates between moods of triumph and melancholy for evocative effects. Authoritative edition.

Customer Reviews

This is a great work that was dedicated to the death anniversary of Anton Rubinstein. The first performance took place a year after his death. I have been looking all over the internet and from other publishers, but never found one. I found pdf files, but I always want a hard copy, especially if one has to play in a trio. It's not exactly the best edition, however it price to quality, Dover Publications gives you a lot. The printing is easy to read. I never had a problem on reading. But most people do complain that certain editions are not easy to read. I need to buy two copies more.

Tchaikovsky's Piano Trio in A Minor is a gorgeous composition. Having bought this score as a means to follow the music only adds to the enjoyment of it. Great score at a bargain price.

This book is like 1/3 the size of a regular book of piano music. Totally useless if you want to play this amazing piano trio.
