For Laci: A Mother's Story Of Love, Loss, And Justice

Synopsis

Laci Rocha Peterson, 8 months pregnant, was last seen by her sister, Amy, in the late afternoon of December 23, 2002. She spoke to her mother, Sharon Rocha, at 8:30 p.m. that night. This would be the last time anyone from her immediate family ever spoke to her. A search began which lasted an agonizing four months. Sadly, Laci Peterson and her son Conner were found dead on the shores of San Francisco Bay on April 18, 2003. Her husband, Scott, was eventually arrested and charged with the murder of Laci and Connor. After a sensational, media-saturated trial, Peterson was found guilty of capital murder and was sentenced to death on March 16, 2005. This book deals with the story in three separate sections: first, Sharon describes the ordinary, loving life her daughter led, including fond memories of her childhood and adolescence. Second, it covers her marriage, disappearance, the community's moving search for her, and her and Connor's eventual recovery from San Francisco Bay. Third, it tells the story of the trial in detail not before revealed. Sharon will also talk about victim's rights, a subject on which she now campaigns regularly. From the Hardcover edition.

Absolutely captivating. You can feel her pain as you read in detail from the moment her life stopped. From the first to the last page, it plays like a movie in your mind; I couldn't put it down and can still remember plain as day when this all took place, unfortunately it isn't a movie and Laci's mother lives with this tragedy everyday as so we all. LOVED this book and felt it was beautifully written. Thank

you Ms. Rocha for sharing.

The book is SO worth reading. It was thoughtful, organized, and very powerful. I couldn't put it down. 5/5 for sure.

I received the book in excellent condition, and I could not put the book down. Such a beautiful tribute to Laci from her Mother; I understand her pain and agony because I lost my only son at 25 years old at the hands of a heartless person! I am so glad I finally read this and found out more details. Definitely met my expectations and more. Thank you, Debbie

Sharon Rocha expressed her love, pain, and grief so powerfully that it brought tears to my eyes. When she describes the part about every day events that we often dismiss and how it feels to know she will no longer be able to experience those things again with her daughter, I had tears rolling down my cheeks.

As the mother of this beautiful, young, mother to be, Sharon Rocha summoned all her strength to tell the world Laci's story. I've read this book about half a dozen times, each time feeling like I knew Laci and was experiencing the horrible nightmare her family faced. Laci's story is beautifully written. The love surrounding her and her baby is clearly portrayed. I'm so glad Ms. Rocha shared her Laci with us.

What a tragic story that made me cry in parts. What a beautiful mother-daughter relationship Sharon and Laci had. My heart ached for her while reading her book. She did an amazing job putting this book together and sharing her story.

This heart wrenching true story touched me at a deep level. I can imagine a tiny inkling of the suffering Laci's mother & family went through after her disappearance. What a blessing and privilege to have a glimpse into the life of this delightful young woman and to feel an opportunity to know her a bit. Thank you Sharon for sharing your heart & yours & Laci's story. You have been & will continue to be in my prayers. In Christ, Janette.

I can't believe it took me 10 years to pick this book up. What a beautiful tribute to a daughter - and incredibly tragic and painful story that moved me to tears time and time again. Sharon, God bless

you and your family - and I thank you for bringing such raw emotion to the foreground. Thank you for sharing Laci with the rest of us.
