Synopsis

EROTIC VERSION Frustrated with the trappings of being King Alex's lover, Madeline Black ran away from her life as a slave to seek a life where she was in control of her destiny. But despite her newly found freedom, Alex still pervades her thoughts and dreams as much as she does his. When Alex manages to find her and rekindle their relationship, he promises to make her his Queen, though the empire is in favour of a marriage to Princess Sofia of Spain. Although Princess Sofia no longer has feelings for King Alex, she desires Sir Greg Umbridge, the king's best friend and closest confidante. Sofia knows she would be risking her life, Greg's, and the future of her home country Spain if she were to get involved with Greg. But she can't deny her feelings for Greg and is willing to do anything to stay in England, putting on the facade that Alex is courting her. As Alex fights to win Madeline a title so they can marry, Madeline is forced to learn of her mother's brutal murder, and the Duke of Axford, the man believed to be the killer. Can their relationships survive the political pressures surrounding them? Can love truly conquer all? **WARNING:** This book contains frequent sex scenes and graphic language. Customer Reviews

Exciting with suspense and action. HOT sex scenes! If you like reading erotica I recommend this book. Racy Nasty so good!

Wow just when I thought you couldn't get any better than your first book, Kept me up all night !! Loved everything about this series and with all the sexy steamy scenes had to turn my AC on full blast! Great job !! I can't wait to see what this talented writer comes up with in the next book....

I can't express enough how excited I was for this book to go up for free! Though if I'd had the money to spare I would most certainly have spent it on this book, nevertheless I'm glad to be reviewing. AJ Phoenix flawlessly writes a splendid work of fiction based upon historical elements while weaving an erotic tale that leave readers flustered. The characters are interesting and witty and at times funny. Well done, well done.

Cannot wait for book 3. Alex and Madeline are a great couple proving love at first sight and existence of soul mates.

Just like it says in this book. Something's are indescribable, this is one of them. Hope I'm not left hanging waiting for book three to awfully long.

Loved it! A great follow-up to book 1. Couldn't get enough!

Absolutely loved both books and and I will definitely recommend these stories to family and friends now I'm just waiting on Black Swan to be published.

I really enjoyed this book. I loved the rigid scenes. I'm looking forward to reading more in this story.
