Customer Reviews

Having read the last Claire Rollins book, I jumped right into this one! The characters are more evolved, but just as exciting. She's done it again!

Once again JA Whiting brings us Claire Rolins and a mystery. This series is a good mystery, twists and turns while Claire and Nicole along with friends, Tony, Judge Augustus, Ian the detective, Tessa and Robby, while they try to solve the murder of Ashley Smith. I thought for sure I knew who

the murderer was but a twists surprises you. The smaller story lines keep your attention and develop the characters.

Lots of clues all leading no where. Claire manages, with her skill, to identify the killer. It was a good read!

Liked the Boston setting, something different. The main characters were interesting and believable. Liked reading about chocolate a lot, too.

I enjoyed this book. I have read some of these in the series. They are good but a little long. I think the story could be told in less time.

I loved this book. It's part of a series, I anxiously await the next book in this series. J.A. Whiting's books are hard to put down. If you have the time to sit and read, you can most definitely finish her books in one to two sittings.

This is the third in a series. I have loved all three. I am originally from Boston, and the author captures the city well. The characters are endearing, the mysteries do not insult your intelligence and I love the dogs! Enjoy.

J.A. Whiting has done it again, she has mixed an interesting story with a challenging mystery, Her characters are uniquely different, each with their own story. I can't wait to read the next one.
