Customer Reviews

"As surely as there's room in the series for Gus, there's room in his contemplative little life for companionship after all." —Kirkus "Dunrea's gently amusing, pleasingly repetitive stories and thoroughly beguiling illustrations continue to capture preschooler life in all its variety." —Horn Book Magazine

OLIVIER DUNREA is the creator of beautiful and well-loved children's books. A painter and a sculptor, his work centers around farms, animals, architecture, and folklore. He lives in the tiny village of Narrowsburg, New York, in the Catskill Mountains.

This is a delightful book that holds the attention of my three year old and 5 month old grandchildren. It is simple enough to follow and still leaves room for a toddler's imagination. We all

love the series.

My grandsons (4 and 7) and now my granddaughter (2) LOVE the "Duck and Goose" series of books. Gus is much like the Duck and Goose books and did not disappoint. The characters are so cute (both artistically and in print), it's hard to resist them! There is always a message in the books that resonates with little ones. I'd recommend this book for anyone with a toddler!!

TOO cute!

Gus is another win for Olivier Dunrea! We own all the titles in the Gossie & Friends series. You cannot go wrong with these whimsical books!

Book was slightly warped. But daughter loves the story.

We loved Gossie and then Gertie! And Peedie and BooBoo and Ollie! And then Gideon was my favorite and now we have sweet little Gus. Just as adorable, just as unique and if you have a little boy who loves turtles: It can't get any better.

Love all of O. Dunrea's books. Sweet with a little life lesson. ãfÂ ã Å ã Æ ã Â•

Wonderful story about a neat and tidy gosling and an adventurous but messy gosling. Whimsical illustrations with bright colors make this an enjoyable story for young children. Highly recommended.
