Harry Potter - The Complete Quiz Book

Synopsis

How much do you know about the world of Harry Potter, his friends and of course his enemies? Do you know what language Merpeople speak? How long does Felix Felicis take to prepare? Who played Delores Umbridge in the films? And what colour hue does the Dogbreath potion have? This fantastically fun quiz book contains eight hundred questions (and answers!) covering every aspect of wizarding life including the characters, life at Hogwarts, spells, potions, fantastic beasts plus much, much more. It contains all of the questions from both Jack Goldstein's Ultimate Quiz Book and Frankie Taylor's Amazing Quiz Book, even adding some completely new ones! From questions even a muggle could answer all the way through to trivia that would test Dumbledore himself, this is the perfect way to test your Harry Potter knowledge.

Customer Reviews

My daughters are obsessed with HP and this quiz book has been great. I can't believe how much they retain from the books (if only they remembered their multiplication tables with the same amount of vigor!) The questions are a good mix of easy and hard, which was perfect for our family.

This book is very simple, but a lot of fun to think about. The back of the book gives you answers, but I think it would be better to just re-read or even watch the movies to find the answers out myself. I got this as a gift for my aunt who not only LOVES Harry Potter, but is also a teacher. After I bought it for her, I kind of wish I got one for myself!

Bought this as a gift for my 11 year old nephew's birthday. He is a huge Harry Potter fan. He loved

this book. We had a great time quizzing the whole family.

This book is great for potterheads young & old. My daughter & I had a lot of fun quizzing each other. The only reason I did not give 5 stars is because some of the questions were repetitive. All around, it is a good buy.

Love the questions so fun!

I got this book for my siblings and I to use at Christmas. It was ok but the difficulty level is all over the place. Some questions were so obscure, and others could have been guessed by someone who has barely heard of Harry Potter. Still kind of fun, but not what I'd hoped for.

I gave this book as a gift to my son. He loved it!

Such fun
