Customer Reviews

The recipes in this wonderful well illustrated book are delicious and easy to prepare. My husband and I both cook and everything we've made to date has not disappointed! Just really great food and we highly recommend it. We came across it by accident at a home while visiting St. John and liked it so much we ordered it as soon as we got home!

I have eaten at Longhi's many times in Maui and love their food. I didn't find the book as helpful as I had thought it would be. Plus the recipe that I bought the book for had the second half of the recipe missing from both books I bought. The editor just messed up when editing it.

Great recipes. My friend had this book and I used it all the time. When he moved, I had to buy my own.

Great recipes without all of the unnecessary overcomplicated ingredients.

Longhi's is arguable the best restaurant in Lahaina. For Italian with a bit of island fusion, this is a wonderful volume for the home chef.

Love their recipes especially if you love fish of all kinds. Have been to Maui several times and every time we go there we Always eat at Longhi's Restaurant!

I already had this book, but I ordered it for a friend and it was a big hit!!!

Great recipes... referred to me by a Home Ed Major...
