Customer Reviews

"Pimsleur programs provide plenty of positive reinforcement that will keep learners on track, and we

found that Pimsleur gave us more proficiency and confidence in speaking the new language than any of the other language programs we reviewed."-- AudioFile Magazine"EXTREMELY ACCESSIBLE...each section within the lessons is short enough to hold our attention, and there is enough repetition to teach even those who consider themselves slow learners...Pimsleur [programs] are extremely thorough and easy to use -- quite lively!"-- Boston Herald"Learn French while commuting, German while jogging, Spanish (or Russian, Italian, and Japanese) while cooking all with NO WRITTEN MATERIALS!"-- New York Daily News"Designed for the ear and not the eye...the lessons provide PERFECT 30-minute bites of work."-- St Louis Post-Dispatch"Learn to habla espa ol or parlez fran ais before your next trip aboard. The interactive LESSONS CHALLENGE STUDENTS to use new words in conversation instead of memorize them."-- American Way (American Airlines inflight magazine)"I tried other language programs with little success...This is the best by far!"-- Pamela A. Mitchell, Pilot, International Society of Women Airline Pilots --This text refers to an out of print or unavailable edition of this title.

Dr. Paul Pimsleur devoted his life to language teaching and testing and was one of the world's leading experts in applied linguistics. After years of experience and research, Dr. Pimsleur developed The Pimsleur Method based on two key principles: the Principle of Anticipation and a scientific principle of memory training that he called "Graduated Interval Recall." This Method has been applied to the many levels and languages of the Pimsleur Programs.

I have spent 6 days on the first 30 minute lesson and even with headphones on I cannot determine the very first word the Mandarin speaker says as well as many others. I have tried changing tonal settings and the volume as well with no results. The course instructs the student to 'sound like' the speaker. I have excellent hearing but not having any written reference to get even a hint whether it's 'toy' 'coy' 'boy' or 'joy' I have no way to grasp the actual word. I have researched the first 'word' 'excuse me' and found quite a few translations as well as spoken words... none of which come close to what I am hearing on disc one. If I wish to learn I would like to be correct in my understanding and pronunciation as it is nearly impossible to 'unlearn' something brainwashed into me. I have another text book based system with CD to read and write and speak Mandarin but I opted to try this Pimsleur course first due to its rating. I would not particularly recommend it.

Arrived quickly, packaged well. These are great for beginner level and refresher course.

This is the best way for me to quickly learn survival language. I've been using Pimsleur for a decade now, and have learned enough of four different languages to get by at my destinations. If you can learn without text, and just by listening, this is for you.

Awesome!

Good!

Very good buy

I'm glad I am a Spanish speaking native and that makes any language easy to pronounce! I always thought I was going to have a hard time but the pronunciation comes very easy, if I can remember what goes first...I am enjoying this.
