Weird Minnesota: Your Travel Guide To Minnesota's Local Legends And Best Kept Secrets

Synopsis

Hail Minnesota for its strange sites, bizarre history, and peculiar folks! Come along and climb the Witch's Tower, sit down in a two-story outhouse, and spend a night in the Drunk Tank at the JailHouse Historic Inn. Then go gape at the country's largest collection of underwear. After all that, relax at the Bowling Hall of Fame. This new paperback version of *Weird Minnesota* is a wild and wacky trip you'll never forget. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Eric Dregni is an MFA candidate in creative nonfiction at the University of Minnesota, where he avoids classes by driving to visit the oversize lumberjack statues that fill his fair state. His road trips in search of bizarre attractions have yielded *Minnesota Marvels* and *Midwest Marvels*, published by the University of Minnesota Press. He lived in Italy for four years, where he ate pig trotters and cow brains, followed by a year as a Fulbright Fellow in Trondheim, Norway, where he feasted on rakfisk (fermented fish). He now lives in Minneapolis. --This text refers to an out of print or unavailable edition of this title.

I've lived in Minnesota twice now. Once I lived in Duluth and then I lived in Minneapolis. I preferred Duluth, which is prettier and has more to do for those interested in the outdoors. The people up North are nicer too. Minnesota is a weird place and now it has a book to prove it. If you enjoy traveling to different places, either by car, plane or via armchair, and like the unusual, then this is a book for you. Learn all about the weird in Minnesota and not just about the people. Some stories

aren't weird, just not common. All in all, an interesting read.

Nice book and full if fun info.

We knew nothing about Minnesota when we took a trip there this year and this book gave us a lot of info on the various sights to see. You'll get a laugh, while learning about the state. I bought the MA one, next and learned a lot about my own state. We met the author and enjoyed the stories about how he discovered the "weirdness" of the state.

We enjoy looking through this book a lot. There is a wide array of information and descriptions that we found very enjoyable. My husband is from Minnesota, and still spent a lot of time leaving through this book for new places to visit.

Arrived quickly, but there was a giant rip on the bottom corner of the dust jacket/sleeve! Had to return it and get a new one since it was for a Christmas gift.

Great book! We've turned this into a dinner tradition. Each night we rotate who will read the next story. Great for middle school reading practice and giving your family new information to add to your travels in the state.

Not put together very well, cover came off book the first day we opened it. Otherwise the contents is fun.

Fun info.
