Designed to be used in conjunction with Rick Warren's amazing multi-million selling time, Daily Inspiration is chock full of timely biblical quotes grouped together by a wide variety of themes. Short and sweet, but nicely organized and worth every penny.

This book is very inspirational; giving you quotes from the bible to explain each question. Its a pretty good book to read in the bathroom or to take where ever you go to remind you about God. The book I bought had a tear in one of the pages and I can't read it cuz its like shredded but the rest of the book was fine. I recommend buying this book new or if you cant, just take chances. IDK but this book is very interesting in perspective of a Christian. :)

I love Rick Warren's "The Purpose Driven Life: What on Earth am I here for?" . . . so I was elated to find Rick Warren had added a "companion" to his original book. Great books that make you stop and think!

I like reflective devotionals/daily reads. This is only bible verses without any written reflective thought.

The different translations presented in this book made it easier to understand and definitely gave a fresh perspective on different bible verses that I used to read or hear before.

Because you are reading only one chapter a day you become you become much more involved with the Lord. Once you learn and believe in the seven powers of intention you will improve your Life.Trust Me!!!!God Bless.Jerry

Unfortunately I paid for and downloaded the wrong book. This book kind of set up each chapter in the original book in a brief way, but unless you also have the original book (which I did not) this book can seem a little confusing. I may come back to it again when I get the original book to see if helps

me to understand anything better but on it's own, it was not very helpful.

I like Rick Warren and have attended his church services at Saddleback Church in Lake Forest, CA. And I know this book is the second best selling religious book of all times. But I didn't find it that worthwhile for me. Reading chapters directly out of the bible from Proverbs, Psalms and others have more of an impact to me.
