Culture Shock! Sri Lanka: A Guide To Customs And Etiquette

Synopsis

Whether you travel for business, pleasure, or a combination of the two, the ever-popular "Culture Shock!" series belongs in your backpack or briefcase. Get the nuts-and-bolts information you need to survive and thrive wherever you go. "Culture Shock!" country guides are easy-to-read, accurate, and entertaining crash courses in local customs and etiquette. "Culture Shock!" practical guides offer the inside information you need whether you're a student, a parent, a globetrotter, or a working traveler. "Culture Shock!" at your Door guides equip you for daily life in some of the world's most cosmopolitan cities. And "Culture Shock!" Success Secrets guides offer relevant, practical information with the real-life insights and cultural know-how that can make the difference between business success and failure. Each "Culture Shock!" title is written by someone who's lived and worked in the country, and each book is packed with practical, accurate, and enjoyable information to help you find your way and feel at home.

Customer Reviews

This guide is better than most. Lots of useful information about cultural differences. It does not contain much tourist information though so it is best used together with a more detailed guide.

The writer for Culture Shock! Sri Lanka appeared to be very familiar with the country. I am married to a Sinhalese and before we traveled to the country for my first visit, I shared selections from the book with my husband. He was pleasantly surprised that the information was fairly accurate. I referred to the book often during my travels and found it very helpful and right on point.

Unfortunately I read this book after living in the country for 20 months. I found all of the information contained in the book well written, accurate and very useful. My only regret was that I did not read this before coming here as it would have made the 'culture shock' more understandable.
