Heroes On Horseback: A Life And Times Of The Last Gaucho Caudillos (Dialogos)

Note: This is not the actual book cover

Synopsis

Well-written study of 19th-century caudillismo and border politics looks at both leaders and followers during the 1893-94 Federalist War and subsequent uprisings in Uruguay. The caudillos were charismatic leaders who embodied the values and aspirations of the rural masses on both sides of the border.

Customer Reviews

A sweeping narrative of two 19th century charismatic leaders and their powerful armies on the Brazil/Uruguay border. --This text refers to the Paperback edition.

John Charles Chasteen is professor of history at the University of North Carolina, Chapel Hill. --This text refers to the Paperback edition.

For those who like history it's a very interesting book. Tells a lot about history and culture of South Brazil, Argentina and Uruguay.

In "Heroes on Horseback," John Charles Chasteen varies his narrative by alternating chapters following the story of two Brazilian caudillos with those examining the political environment of the Uruguay-Brazil borderland in the late 19th century. While a little slow in parts, it does explore the conceptions of identities among those in the borderland, particularly for the numerous Brazilian

immigrants living in Uruguay. It also provides a closer look at the lives of two brothers, Gumercindo and Aparicio Saravia, as they lead their militia in hopes of bringing revolution to Brazil. Most interesting, however, is Chasteen's inquiry into the phenomenon of caudillismo itself and how the charisma of the leaders inspired the borderland residents to enlist their support. Overall, a worthwhile look at a unique area of Latin American political history.
