Very Nice Book

bad, bad quality of photos, and those models, seriously? Itake a look of here:[...]

This is a useful book. It isn't a great book. It isn't a poor book. It has images of numerous models in many different poses. It isn't a book of coffee table quality but it is inexpensive.

This book is good for its price. I am an art student without a lot of money. I can't afford more expensive books.
