Alberta Fishes: A Folding Guide To All Known Native And Introduced Species (A Pocket Naturalist Guide)

Synopsis

Co-authored by experts Dr. Sean Rogers and Matthew J. Morris, this guide highlights 54 fish species are native to Alberta and 16 species that have been introduced to the province. This beautifully illustrated guide provides descriptions on fish anatomy, a key to identifying field marks of each fish, a watershed map and notes on conservation status. It also features a QR code for more information on the status of each species. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by novices and experts alike.
