My girlfriend pulls this out whenever we don't have much to talk about. Really sparks the conversation. Also use it in family gatherings and we go around answering the questions in turns. I kind like it. Helps you learn new things about family you didn't know

This was a wonderful gift and it deepened our date nights. We talk more now and have a great time.

Sometimes when there is a large group it is hard to keep a good conversation going. We used these at a party and it got all kinds of memories going. Everyone enjoyed it.

Great interview questions!

Some of the cards are hard to come up with a story. My wife and I laughed over many of them. Good for people who don't know each other.

great fun, used them in my drama/speech class for improv starters

I am an Activity Director for a senior community and Chat Pack has provided a GREAT format for group discussions.

We have a few of these games! So much fun no matter what the crowd! Good for family, friends, old and young!
