Unicorn Vs. Goblins (Phoebe And Her Unicorn Series Book 3): Another Phoebe And Her Unicorn Adventure

Synopsis

Not every kid skips a rock across a pond and winds up with a unicorn best friend, right? The popular friendship of Phoebe and Her Unicorn is back for a third collection of adventures so heavenly they had to be shared. School's out! That means no more teachers, no more books, and lots of time to compliment Marigold Heavenly Nostrils on her good looks. In this third volume, Phoebe and her obligational best friend, Marigold, learn that summer still has plenty of surprises for the both of them. All of our old friends are back! Phoebe's part-time æfrenemy • Dakota, upon whom Marigold has bestowed sentient hair, Phoebe's goofy parents, and even Lord Splendid Humility (but please, ignore his magnificence if you can)! Have fun as Phoebe and Marigold continue the æPhoebegold Detective Agency, • spend a week at Wolfgang Music Camp, and find themselves in more misadventures, thanks to Marigold's enchanted sparkles! Along the way, Phoebe makes some new friends, such as Sue's her unique clarinet-playing bunkmate, Florence Unfortunate Nostrils, Marigold's estranged sister, and Camp Wolfgang's lake monster who enjoys tacos and Wi-Fi. When school resumes, read along as Phoebe enjoys (or suffers from) a brief case of popularity, mentally catalogs her grievances against dodge ball, and, with Marigold's help, rescues Dakota and her hair from the queen of the goblins. Through these wacky adventures, Phoebe and Marigold learn that their friendship is the second most magical thing of all, after Marigold's beauty, of course. Includes an introduction by Cory Doctorow and his daughter Poesy!

Gr 3-6 "Phoebe and her beautiful unicorn friend, Marigold Heavenly Nostrils, have all summer to go to camp and solve mysteries together. Music camp is full of new friends—a funky yet friendly clarinet player for Phoebe, and the lake monster for Marigold. Of course, there are updates from Phoebe's frenemy, Dakota, whose hair Marigold magically cursed. Summer must come to an end, and Phoebe and Marigold attend school. Marigold, in an effort to help Phoebe become popular (or at least avoid anonymity) turns off her Shield of Boringness so all Phoebe's classmates can see her unicorn best friend. Finally, Phoebe and Marigold must save Dakota from the goblins, who have taken her hostage. The adventures of Phoebe and Marigold are just as amusing and eclectic as they sound. The pace is quick, almost to the point of being frenzied and unfocused. However, it fits the characters, who are engaging enough to make up for any flaws. The illustrations are quirky, and Simpson expertly places the characters in a real world setting. VERDICT Middle grade readers will find Phoebe and Marigold to be an exciting duo and will probably want a pet unicorn of their own.

Purchase where this series is popular. —Morgan Brickey, Arlington Public Library, TX

Dana Claire Simpson grew up in Gig Harbor, Washington, drawing the entire time. She eventually graduated from The Evergreen State College, despite having spent all her time drawing, and not always for credit. Attempts at doing real work along the way are hardly worth mentioning; the relevant fact is that, from 1998 to 2008, she drew the internet comic strip Ozy and Millie. After winning the -sponsored Comic Strip Superstar Contest in 2009, Andrews McMeel Syndication signed her to a development deal for Heavenly Nostrils, which was later renamed Phoebe and Her Unicorn. She currently lives in Santa Barbara, California, with her tech genius husband and her fairly stupid cat.

My daughter adores this series. She got this one and the Razzle Dazzle Unicorn book for Christmas, and re-reads them weekly. We have already pre-ordered the newest book for when it comes out in late March.

My 9 year daughter loves these books and owns them all. It makes me smile to hear her laughing

and enjoying reading.

My 9 year old daughter LOVED this book. I had bought it for her to read while on vacation...especially on the plane and in the car. She finished it the first day I gave it to her! (and she is not a big reader!)

In love with these two characters. Phoebe is a hoot and the illustrations are very well done and expressive. Looking forward to the next installment.

Great book for my 10 year old!!

My granddaughter who is 7 enjoys this series very much

Perfect for any fan!

Fun, fun, fun!!!
