# Thank You, God, For Daddy

## Synopsis

Daddies do so much for us! It's time to thank God for the blessing they are. In this adorable board book, a little lion cub thanks God for his wonderful daddy—a daddy who gives big hugs and piggy back rides, who takes great care of him, and most importantly, who offers love, guidance, and encouragement. Thank You, God, for Daddy; He scares monsters away. When Daddy says, "Don't be afraid, I know that it's okay." The love and sacrifices of fathers will be celebrated by children everywhere each time they snuggle up to read Thank You, God, for Daddy. Meets national education standards.

## Customer Reviews

Amy Parker's children's books have sold more than 1 million copies, including two Christian Retailing's Best award-winning books and the bestselling *A Night Night Prayer*. She lives outside Nashville with her husband and two children. ^

The Little girl I care for gave this to her Father for Father's Day which was right next to his birthday. Though she's only seven she read it to him because she's an advanced reader (level 4). He was quite proud and happy with it. It spoke her heart as her dad is the greatest guy on the planet. I think he'll keep it forever to remember her reading it to him. It helped confirm he's a good dad doing a great job.

Wonderful sweet book. Our grandson is almost 9 months old and a little young as he will tear the pages. But he will grow into it and look forward to reading this book to him. Ordered Thank You God for Mommy and same applies for that book. I saw a post that said no app can replace your lap -- read to your kids. Inspiring and great pictures and writing.

Nice to see a book focused on dad for a change.

My grandson loves to have this book read to him over and over. I also bought "Thank you God for Mommy" which he also loves to "read".

What a beautiful book! Thank you for a wonderful Father's Day present! This is a large board book with a great story and pictures. He read it to the children and we both cried.

I love this book. It is beautifully written and the pictures are amazing. Dads do so much for their kids even as adults. Once you start reading it, you can't put it down. It's heartfelt. I highly recommend this book to children as well as adults.

This was purchased for our pre-school class. The book was just as described and arrived very quickly. Thank You!
