Marley Goes To School

Synopsis

It's the first day of school, and Cassie is all set to go. So is her dog, Marley! Although he's told to stay, Marley digs a tunnel out of the backyard and sniffs his way to school. As he roams the halls looking for Cassie, he finds trouble instead. From wolfing down hot dogs in the cafeteria to setting free a bunch of mice in science class, Marley won't stop until he locates his best friend. This lovable and rowdy dog may not be much of an academic, but he's full of school spirit! Packed with action and hilarious Marley bad-boy antics, this follow-up to the bestselling *Bad Dog, Marley!* and *A Very Marley Christmas* will leave readers howling for more. Awoooo!

Excellent service! Loved the item; will buy from again; many thanks!

We loved seeing Marley head off to all the different classes at school and the problems he caused while there! We look forward to reading many more Marley books in the future!

Bought this book for a xmas present. He loves the book. Hardcover, bright, colorful pictures. Easy reading. Will buy more from this author.

There is no availability to change from 2 page format which makes text and pictures too small for children to enjoy.

One of my daughters' favorite books and characters. They are 5 and 3.

I run a small Children's Literacy program on Cape Ann. We selected *Marley Goes to School* as the October selection to be read to all of the First Grades. The children were engaged and attentive and enjoyed the book very much. The children are also able to read the book on their own and thus got a further lesson in the pleasures of reading.

I read this to a group of kindergarteners. They laughed at Marley and the chaos he caused because he wanted to find his best friend on her first day of school.

Grandchildren love the Marley books. Enjoy reading them over and over. They now have 3 of the

Marley books and enjoy everyone of them. They can almost read along with me.
