Best Sellers Rank: #1,497,885 in Books (See Top 100 in Books) #45 in [Books > Engineering & Transportation > Transportation > Ships > Boat Building](#) #164 in [Books > Arts & Photography > Vehicle Pictorials > Ships](#) #1111 in [Books > Engineering & Transportation > Transportation > History > Ships](#)

Customer Reviews

Great little book to explain wooden ship building to beginners working with a crew restoring a ninety year old, 65' wooden purse seiner.

A wonderful and historic book. A model boat can be built from the great plans illustrated

I really liked the actual construction techniques demonstrated in the book. There's actual design and construction methods shown in the book.
