Chronicles Of The Mercy Giver: A Race For Tomorrow Thriller

Synopsis

From the author who shocked the world with his groundbreaking and bestselling Battle Series, comes Mark Romang's most chilling thriller yet. Investigative journalist Lauren Kramer, a rising star in the Cable TV news industry, has just been given the assignment of a lifetime. Find an angel and interview him, and do it within a four-week window. Lauren's target is a mysterious being who has rescued people from peril all over the world, only to disappear without a trace soon after performing the miracle. Armed with various newspaper accounts of the alleged angel's exploits, an artist rendering of the angel's face, and assisted by a kindly seminary professor specializing in angel studies, Lauren hits the road in an all-out effort to do the impossible and acquire the interview. But Lauren soon discovers she isn't the only one searching for the hero. A secretive group of people have spent large sums of money trying to capture him. And the more Lauren learns of these dangerous individuals and their plans to alter the planet, the more convinced she becomes she's chasing the wrong story altogether. An action thriller tour de force with an over-arching Christian theme, *The Chronicles of the Mercy Giver* crosses over into multiple genres, including mystery, suspense, fantasy, science-fiction, and dystopian. Customer Reviews

This is a really fun read and it keeps you guessing. I thought I had this book figured out when I was halfway through it, but the second half of the book took me by surprise and all I could do was hang on and enjoy the ride. I can't wait to see what the rest of this series brings. 5 Stars
