Customer Reviews

Despite the onslaught of e-books in every category, print cookbooks remain popular, especially when created by an up-and-coming celebrity who just happens to be photogenic, articulate, and the host of a TV series. Dundon, while not a newcomer to the culinary world (Great Family Food, 2009, and Recipes That Work, 2011) needs introducing to U.S. cooks. His credentials are impressive: he has cooked for the Queen and Bono, and he runs a gastropub in Disney Orlando. His enthusiasm bubbles off the page as he shares secrets, tips, and more than 100 recipes from his kitchen.

Nonetheless, the dishes do require a good knowledge of foodstuffs and techniques, as they also include a few exotic ingredients (such as samphire or sea asparagus), and most are somewhat time-intensive, even if the pantry is limitless. Who could resist his mum's meatloaf, his celeriac Waldorf salad, and a trio of chocolate fondues? Those aspiring to dip into the "across the ocean" flavors will find colcannon (potatoes and cabbage), buttermilk scones, and kinky Eton mess more than conquerable. Great color photographs and a smattering of tips help disguise the honest truth: these flavorful recipes are not geared to kitchen novices.

--Barbara Jacobs

Irish chef Kevin is known for his fresh and rustic approach to eating and this beautiful book will fill you with enthusiasm for his way of working. -- Praise for Recipes That Work * Great British Food *

Can't wait to make the lemon cured pork belly! It's the reason why I bought the book in the first place, but am discovering other great recipes.

Good recipes and writing- great photos. This book offers many new ideas for old favorites- we've enjoyed all the recipes I've tried.

Excellent cookbook for easy, light, and delicious Irish recipes. The Irish usually are not well known for their cuisine, but this cookbook may change your mind. Nicely laid out and good images. You can also see his cooking show on PBS and follow along.

Have enjoyed the recipes and the stories that accompany them; photos are beautiful; Ireland is a lovely place. I watch him on TV also -

Bought this for my mom and she loves it. Lots of variety recipe wise

I cannot say enough good things about this cookbook! The recipes are a few simple ingredients, simple preparation and you end up with an amazing dish that eows, everytime. It's my new go-to book and I am finding myself making my grocery list from it.

Great recipes, beautifully illustrated, simply explained and easy to follow...I loved it, and will definitely look for his next cookbook!

This is an extremely well-written collection of wonderful recipes, and An excellent companion to the television show on PBS.
