Mythology Of The Inuit (Mythology, Myths, And Legends)

Synopsis

During the long cold winter nights, Inuit families snuggled together in their winter houses and listened to tales about a time when unbelievable things could happen. These adventurers broke up the long hours of winter darkness and gave the listeners a cultural and traditional heritage. Each chapter is followed by a Question and Answer section which covers themes, symbols, and characters; and an Expert Commentary section, which makes for great discussion. This book is developed from INUIT MYTHOLOGY to allow republication of the original text into ebook, paperback, and trade editions.
