## Synopsis

The Ancient Magus' Bride is an ongoing manga series that features a darkly fascinating relationship between a teenage girl and an inhuman wizard. Chise has come face to face with the person responsible for the brutal killings at a nearby churchyard "and to her shock, it's someone she recognizes from her visions of the tragedy at Ulthar! Appalled by the realization that the alchemist who wrought such horrors is still up to his old tricks, Chise must act to stop him. But in order to control her dangerous powers as a sly beggar, she'll need all the help she can get.

## Customer Reviews

Kore Yamazaki is best known as the author and artist of The Ancient Magus' Bride.

Loving this series! Cannot wait for the future volumes to come. What is really making my heart flutter about these books (besides Chise and Elise!) is the time that Kore (artist/author) took to research some of the real information on some of the magical beings, items etc. For example, the character that takes care of the house, she is a Brownie and a little detail that got me was that Chise will leave a little bit of cream for her on a shelf as a "thank you" and that is something a person would do to appease the gentle and caring house fairies. Other than accurate details this series is a delight to read, though I would have to agree with another rating I read that the relationship between Chise and Elise is kind of progressing fast without much interaction or reason other than he is the only person (wizard, fairy, demon?) ever to want her at all. All in all like many on

here agree, it's a good series to read and I recommend it too!

So far there are only seven volumes and I can't stop reading. The flow is good and before you know it, you're finished. I'm trying to pace myself so I won't finish all of them too quickly.

I am just starting to get into manga, but have been a long time fan of anime. This is one of the first manga series that I perused that I felt worth buying. The story is interesting and the illustrations capture of feel of the story. I really can't think of another series that is similar in content and the mature feel of the characters. I look forward to see where the author takes this series.

## LOVE THIS SERIES

Loving this series! The story keeps getting better and more intricate...can't wait for the next volume! Hope to see more romance too! ☺ ☺ ☺

Love the art and the story.

I just want to see more of the series. it is a good story line that grows over time

LOVE IT its amazing
