Customer Reviews

Good shape

It was what I wanted.

I have absolutely zero natural sense of direction so this guide is perfect in its level of detail. It seems to cover every inch of Portland, including a full street index in the back that makes it easy to locate an address.

I have purchased the Thomas Guides for Portland for the last several years and have found them to be an absolutely indispensable navigational aid. Every street in the metro area and surrounding suburbs is detailed within this guide. Its comprehensive detail and ease of use make it a real help. If you have to drive in Portland even occasionally I cannot recommend strongly enough that you buy this guide.
